Message from CEO

Eng. Ali Said Ali Al Masahli
Chief Executive Officer

Our ability to achieve value for our shareholders is driven by our focused strategy and rigorous attention to operational efficiency. We remain undeterred in our aspiration to be the best performing Industrial & Infrastructure development Construction Company in the Middle East and firmly believe that our strategy will ensure we realize this ambition. Indeed, in today's challenging economic times we believe the benefits of our approach will be even more pronounced. We are enhancing our key internal operations to ensure a consistent and positive experience for our customers, partners, suppliers and employees.
